

A MERRY CHRISTMAS

1. We singers make bold, as in days of old,
To celebrate Christmas and bring you good cheer,
Glad tidings we bring to Messiah our King.
So we wish you a "Merry Christmas"
And a "Happy New Year".

2. The shepherds amazed, as upwards they gazed,
Behold holy angels to them drawing near;
Singing goodwill to men, as onward they came,
So we wish you a "Merry Christmas"
And a "Happy New Year".

3. Yes, join heart and hand to keep god's commands,
By living to serve him throughout the new year,
In an innocent way be merry today,
So we wish you a "Merry Christmas"
And a "Happy New Year".
